

**SCOTT BYERS OF DIVERSIFIED INFORMATION TECHNOLOGIES APPOINTED TO
TEAM PENNSYLVANIA® FOUNDATION BOARD OF DIRECTORS**

Scranton, Pa. — June 22, 2010-- Diversified Information Technologies, Inc. (Diversified), a leading provider of document and information lifecycle solutions, today announced that CEO Scott Byers has been appointed to the Team Pennsylvania® Foundation Board of Directors.

Team Pennsylvania® Foundation is a dynamic, public/private partnership that initiates and supports innovative programs to improve Pennsylvania's competitiveness and economic prosperity. The organization looks to the shared expertise, knowledge and vision of industry leaders as a way to reach this goal.

Through its partnerships, the Foundation brings together public officials and private leaders to enhance the business climate and secure valuable jobs for Pennsylvanians, help to educate and build a strong workforce, and develop creative solutions to the challenges facing business and government across Pennsylvania.

"I am very pleased to be appointed to the Board of Team Pennsylvania Foundation because the organization plays such an important role in bringing together the public and private sectors around business growth initiatives in Pennsylvania," commented Byers. "I look forward to working with other board members in developing and furthering the Board's strategic initiatives around economic competitiveness, building the vitality of the workforce, and promoting the Commonwealth as a place to grow and expand business."

Diversified Information Technologies, Inc. founded in 1982, is headquartered in Scranton, Pa, two hours from NYC. Diversified's solutions manage the complete document and information lifecycle and include integrated records management solutions for both physical and electronic records storage; document imaging, workflow automation, information management consulting, electronic mailroom processing, and printing, mailing and electronic presentment solutions. With processes, people and facilities fully certified and compliant with federal and industry regulations including HIPAA, Sarbox, NARA 36 CFR, ISO 9001, and SAS 70 Type II, Diversified serves the Fortune 1000 in the financial, insurance, healthcare, government and other industries. Diversified has 24 U.S. and four international locations. For more information, visit www.Diversifiedweb.com.

The Team Pennsylvania Foundation was created in 1997 as a public-private partnership to provide statewide collaborative leadership in economic development policy by bringing together business, government and economic development leaders.
